

Questions for Finding our Purposes for SLCE

WHY/PURPOSE (for any and all members of a partnership)

*What do I want to nudge the world toward
(specific, positive vision of the future)?*

*What questions and possibilities are of particular
interest now in my communit(ies)?*

*What are my goals for my own
ongoing learning and growth?*

*What priorities of my organization/institution
am I most interested in advancing?*

What do I think is most important for college students to learn?
